# WELCOME TO MY THIRD NEWSLETTER... photoG quarterly

Hi all! Yes, I am a little late again in sending this out. My apologies! Anyway, I'm becoming used to life in Singapore. Love the social vibe and the springboard into other parts of the world... hence all the travel! Beginning to master 'singlish' as well with two word sentences, "can lah" and "cannot lah"!

REGARDS,  
GLENN

## Website tech...

Am currently in the middle of tweaking my gmphotoart website and have been running into some technical problems, ie. I'm not that technical! Basically I haven't been able to update the photo gallery for some time. My Facebook friends have the advantage of seeing my most recent new images but I will have this resolved very soon... promise!

## Recent travel...

Photo coverage of recent trips included...

**Perhentian Kecil Island** - A scuba dive trip to the amazing waters between the Perhentian and Redang Islands. The word is that real divers go the Perhentians and tourists go to Redang! One can spot the masses of lifejackets standing in the shallows!

**Phuket** - Stayed in the craziness that is Patong Beach with a day trip to Phi Phi Island.

**India** - Wow! Non-stop! Started out in the holiest city in India and oldest city in the world- Varanasi and was lucky enough to see the full Moon eclipse. Short blog note on my experience to be on Facebook soon. Also visited Delhi, went shopping in Jaipur and was awe-struck by the Taj Mahal in Agra. Ah, the things we do for love. Took hundreds of shots. Such an amazingly photogenic place. Photo selection will be on-line soon.

**Australia** - Quick trip back to my home town of Melbourne to remind myself of winter! It's a great time to grab your significant other and head down the Great Ocean Road for some R&R. Plenty to do, laze by log-fires, visit a winery, walk around the lush Otway Ranges and potential see Humpback Whales off the Shipwreck Coast.

## New locations...

More first-time locations booked and ready to go between now and Christmas are **Taipei, Shanghai, Beijing, Dubai** and **Myanmar**.
